

You Are Very Special

In all the world there is nobody like you. Since the beginning of time, nobody has had your smile, your eyes, your hands, your hair. Nobody owns your voice, your handwriting, your way of communicating with others. Nobody paints like you, or has your tastes. Nobody sees things as you do. Nobody has ever laughed or cried exactly like you.

You're special.

Moreover, nobody else in the world has your particular set of abilities. There will always be someone who is better at one thing or another. Every person is your superior in at least one way.

But nobody in this world has your specific combination of talents and feelings. And because of that, no one will ever love, forgive, walk, talk, think or act exactly like you.

There's nobody like you.

Whatever is rare or unique has enormous value, and it's the same with you. It's no accident who you are – God made you for a special purpose. God gave you a task and purpose that nobody else can do as well as you can. Out of billions of applicants, only one is qualified: you. Only one has the right combination of what it takes – and that one is you.

You are very special!

My Pledge Of Non-Violence

I promise that
I will do my best
to refrain from participating
in acts of violence
in my home, in my school,
and in my neighborhood.

I also promise
to stand with other human beings
who are treated unfairly.

By doing this I make known
how special I am.

I will remember that
I want to live in a peaceful world,
and by taking this pledge
I will be doing my part
to achieve this goal.
